

REMARKS

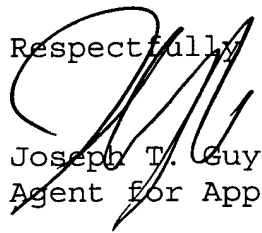

Claims 6-8 are pending in the present application. Review on the merits is respectfully requested.

Claim 8 was previously allowed.

Claims 6 and 7 have been amended to process claims thereby placing them in condition for allowance.

In the Reasons for Allowance the Examiner stated that processing of a sound recording in a daylight environment is patentable. Claims 6 and 7 are therefore allowable for the same reasons as claim 8.

Respectfully submitted,

Joseph T. Guy, Ph.D.
